

WMPG Diversity Statement

WMPG encourages the participation of volunteers with diverse backgrounds and perspectives and does not discriminate on the grounds of race, color, religion, sex, sexual orientation, transgender status or gender expression, national origin, citizenship status, age, disability, genetic information or veteran's status. Every volunteer and staff person is expected to treat all other persons at WMPG with courtesy and respect. WMPG provides reasonable accommodations to qualified individuals with disabilities upon request.

IN addition, WMPG:

- * promotes awareness and discussion of global issues and culture
- * presents artistic, cultural, and political perspectives which are underrepresented in mainstream media
- * promotes acceptance, understanding, and cooperation between people and cultures
- * provides low-cost broadcast training regardless of race, religion, sex, sexual orientation, lifestyle, age, or physical ability
- * provides opportunities for women and minorities and others who are underrepresented in mainstream media to participate in management and decision-making
- * encourages the participation of community members with diverse backgrounds and perspectives

In sum, one of the most important reasons WMPG exists is to create greater diversity in media within range of our signals.
